

FAMILY DEVELOPMENT PLAN

HOW TO USE THE FAMILY DEVELOPMENT PLAN: Family worker, please ask the family if they want to fill out the form or want you to write. If you write, be sure to use their words. If the family member wants you to do the writing, read out loud what you have written. Ask the family member for any corrections, and make the corrections they request on all the sections except "in the worker's words." Give a copy to the family member, and keep a copy in your file. Each of you should review the form before your next meeting, to make sure you've each taken the steps you agreed on. Begin your next meeting by reviewing the last Plan.
